### Lunch With a Special Person

Friday, February 3rd, we will be sponsoring Lunch With a Special Person. Each student may invite **ONE** special person to have lunch with them. You may bring the food of your choice, there are no restrictions that day. We ask that you do not bring small children with you on that day, since this is a special day for our students to enjoy the company and attention of the special person in their lives. All students will be eating lunch at the same time so siblings may eat together with one special person. Please remember that you must return your form by Friday, January 27th. There is no Hot Lunch for that day.

## Snowy Chicago

This is a reminder to all parents and students that students are not allowed to climb the snow mounds in the parking lot or engage in the throwing of snowballs on school property or during school hours. This is for the safety of all students.

Parents, I would like to remind you that all students go out for recess unless the temperature is below freezing, there is a snow storm, or freezing rain. Please make sure your children are dressed for the weather with hats, gloves and scarves.

Since Chicago weather is so unpredictable, please remember to check the Emergency School Closing website during inclement weather, as well as other news stations. The cancellation of school will also be on the school website.

**No snowmen on school property!**

## Congratulations

We would like to congratulate the winners of the Respect Life Essay Contest. The winners are Daniella Gonzalez and Alexander Traczyk. Both winners will receive monetary awards for their essays.

Also, we would like to congratulate Nathan Negron on receiving the Kevin Flanagan Award at St. Patrick's High School. The scholarship
